

REMARKS

By the present amendment, claims 13-17 have been amended to depend on claim 1. Also, claims 1 and 16 have been amended to delete a reference numeral and claim 3 has been amended to correct a typographical error.

Objection to claims 13-17

In the Office Action, claims 13-17 are objected to. It is alleged that the expression “application of a printer according to claim 1” in claims 13-17 contradicts claim 1.

Claims 13-17 have been rewritten as dependent claims referring to claim 1 and reciting a type of printer and features as in previous claims 13-17. Accordingly, it is submitted that the objection should be withdrawn.

A response to the restriction requirement is set forth on pages 1-2 of this paper.
